PRESIDENT'S MESSAGE:

WE'RE GOING PLACES

2010 will see the SHCV host two Grand National qualifying shows for the first time; the Autumn Classic held in March, and the SHCV Masters HOTY to be held at Werribee NEC on 27 & 28 November. This is a great step forward for Victoria and brings us in line with other States. With the standard of competition and strength in numbers in Victoria, the SHCV aims to secure another qualifying event in years to come. To do so, we need to increase our membership base, develop strong sub-committees to support the Executive team, and continue to work with our sponsors and members in developing quality events.

INTERNET

The internet is an essential medium for any organisation wanting to provide information to its members, and potential members. This is one of the very reasons we have our own website, and have set up an email account as an option for anyone wishing to contact us; shcv@equus.com.au. The use of forums is also a great avenue for like-minded people to exchange ideas, knowledge, information or discuss various issues that interest them. Whilst it is the position of the SHCV not to provide comment on any

forum, members of the Committee certainly read topics that reflect upon the SHCV as we appreciate any feedback, be it good or bad. However, what I do encourage is for people to contact the SHCV directly with their feedback or questions, avoiding the possibility of inaccurate information being provided. I also remind everyone to avoid damning individuals, committees or sponsors. This reflects poorly on the author, provides unnecessary pain for those involved, and may even be libelous. It's not an image that the sport needs or should endure. Fortunately, most people feel that they can contact the SHCV and freely express their concerns confidentially. I encourage others to take the time and contact us with any suggestions or feedback.

GRAND NATIONAL

Victoria was again well represented at the Grand National Championships held at Horsely Park (NSW) on 26-28 March 2010, and their attendance was well rewarded with some impressive results. The results can be downloaded at: www.showhorsecouncilaust.com.au. Victoria had representation in nearly all Top 10 results, and we nearly had a clean sweep of all Riding Classes. This is a fantastic result, and the Committee congratulates everyone that attended; you have all done the State proud.

2010 AUTUMN CLASSIC— GREAT SUCCESS!!

The inaugural SHCV Autumn Classic held at the Werribee NEC on Sunday 14 March 2010 was a huge success, enjoying perfect weather and immaculately presented grounds. Reg Cleeland is to be congratulated on the standard of the grounds.

The SHCV Autumn Classic is now the second Grand National qualifying event hosted by the SHCV, with the other being the SHCV Masters Horse of the Year held in November each year. As the event was only approved by the SHCA in December 2009, the Committee had three months in which to determine classes, select judges, post the schedule and accept entries.

With over 180 horses entered, the Committee would like to thank its members for supporting this event at such short notice.

The Autumn Classic will no doubt grow into a larger event as we work towards securing a date well in advance for 2012, seek greater sponsorship, and extensively promote it as an fun day on which you can gain an early Grand National qualification.

The Committee would like to thank sponsors: Dreamtime Park, Bel's Bling Browbands & Finishing Touch Browbands and Accessories for supporting this event at such short notice.

AGM

The 2010 Annual General Meeting will be held at the:

The Railway Club Hotel
107 Raglan Street,
Port Melbourne
Saturday 31 July 2010
Meeting @ 6:00pm
Dinner @ 7:30pm

Whilst there are formal matters to address, it is a great opportunity to catch up with the Committee and friends, and enjoy a great meal in a private room designated to the SHCV. We used this venue last year; the service and meals were outstanding, all at a reasonable price. Please fill out the attached invitation and return to the SHCV. Don't be shy—everyone is welcome.

We would also like to announce that no irregularities were returned from horses drug tested.
